RESPONSE AND AMENDMENT

Dear Sir:

In response to the Office Action mailed May 8, 2001, please enter the following amendments and consider the following remarks:

In the Claims:

Please cancel claim 9.

Please amend claims 1, 8, 14, 16 and 17 as follows:

1. (Amended) A system for measuring an ability of a subject, comprising:
 - a first set of task items that require the subject to provide one or more spoken responses;
 - a speech recognition system coupled to receive the spoken response and to provide an estimate of the spoken response, the speech recognition system having an associated accuracy;
 - a scoring device, the scoring device being operable to convert the estimate into an item score; and
